## SIX★STAR FOOD BARS

Food bars are compliant with 2011 NSF requirements. They are molded from durable polyethylene and foam insulated to keep food at correct serving temperature. The textured finish resists scratching. There are 4 swivel, non-marking casters with brakes that offer greater portability and stability and a built-in faucet for drainage. Holds five full size food pans.

## MODULAR DISPLAYWARE

When the functional features of standard food pans combine with the pleasing aesthetics of displayware the result is a unique displayware that beautifully highlights food displays. Wave shape offers visual interest while enhancing the display. Unique, flexible displayware provides an attractive solution for merchandising prepared food. Half long lid can be used for sliced deli meats and cheeses. Made of tough, break-resistant polycarbonate. Safe for use in temperatures ranging from -40° to 212°F. NSF Listed and dishwasher safe. Patents Pending.
